

Each child is given a blue homework folder. This will be sent home each Wednesday with new homework in it. It needs to be completed and returned to school on Monday. Each week there will be a piece of Maths homework.

Spelling Tests usually take place on a Wednesday and new spellings will be sent home. These are to be practiced at home and all children have a Spelling Frame log in to practice online.

The children should be reading at home every day. Please use their bookmarks to help them with their questioning.

Times tables are to be practiced at home on a regular basis. Up until October half term lots of verbal number sequences and counting in 2s, 5s and 10s. After October half term times tables will have been taught so can be practiced. All children also have a Times Tables Rock Stars log in so they can practice online.
