

Important Dates

Term Dates

Term dates for each year can be found on the front page of our school website.

Church Worship

On the last Friday of each month, we hold our School Worship at 9am in St Paul's Church. This is so parents and friends can join us to celebrate our Special Mentions Awards. The final Friday of each term also sees us celebrating our Trophy Winners for Good Behaviour and Progress & Effort. We do hope you will be able to join us for some of these.

PTFA

Our wonderful PTFA work hard throughout the year organising different events for our children to enjoy. Please do keep an eye on our Weekly Newsletter and School Facebook Page for regular PTFA updates along with those all-important dates. We have regular non-uniform days, film nights and discos as well as our ever-popular annual Christmas Market and Chocolate Bingo.

Water Safety Week

Our School takes part in a week of water based and life saving activities during Water Safety Week each year in June. As part of this, our Year 1 and Year 2 children get to enjoy a water safety swimming session at one of our local swimming pools.

Summer Sports Days

Throughout the summer term we have a number of sporting events to add to the diaries. These include Sports Days for both infants and juniors along with our House Matches for the junior children.

Other Dates

We also have a number of other dates to keep an eye out for during the year - a parents evening in October and another in March, Harvest Festival in October, our whole school Pantomime Trip to Clitheroe at the beginning of December along with various other dates which may include author visits, wellbeing days and themed days.
