Exploring and Developing Ideas						Evaluating and Developing Work County		
Select and record from first hand observation, experience and imagination, and explore ideas for diffe Question and make thoughtful observations about starting points and select ideas to use in the Explore the roles and purposes of artists, craftspeople and designers working in different times and						County Council Compare ideas, methods and approaches in their own and other they think and feel about them. Adapt their work according to their views and describe how they might develop it further. Annotate work in journal.		
				Drav	wing			
Experiment with ways in which surface detail can be added to drawings. Use journals to collect and record visual information from different sources. Draw for a sustained period of time at an appropriate level.		Lines and Marks Make marks and lines with a wide range of drawing implements e.g. charcoal, pencil, crayon, chalk pastels, pens etc. Experiment with different grades of pencil and other implements to create lines and marks.		Form and Shape Experiment with different grades of pencil and other implements to draw different forms and shapes. Begin to show an awareness of objects having a third dimension.		co draw pes.	Tone periment with different grades of pencil and other implements to achieve variations in tone. Uply tone in a drawing in a simple way.	Texture Create textures with a wide rage drawing implements. Apply a simple use of pattern an texture in a drawing.
Digital Media		Painting	Printing		Texti	les	3-D	Collage
Record and collect visual information using digital cameras and video recorders Present recorded visual images using software Use a graphics package to create images and effects with; Lines by controlling the brush tool with increased precision Change the type of brush to an appropriate style	Experiment with different effects and textures inc. blocking in colour, washes, thickened paint creating textural effects Work on a range of scales e.g. thin brush on small picture etc. Create different effects and textures with paint according to what they need for the task. Colour Mix colours and know which primary colours make secondary colours Use more specific colour language Mix and use tints and shades		Create printing blocks using a relief or impressed method Create repeating patterns Print with two colour overlays Develop skills in scutting and joinin Experiment with		weaving and e different the material titching,	Plan, design and make models from observation or imagination Join clay adequately and construct a simple base for extending and modelling other shapes Create surface patterns and textures in a malleable material Use papier mache to create a simple 3D object	tearing, overlapping and layering to create images and represent textures Use collage as a means of collecting ideas and informatic and building a visual vocabular
