## Attendance Update January 2026

Regular attendance at school is essential if children are to achieve their full potential. An acceptable level of attendance is considered to be 95% and above. The table below shows how many days this equates to over the school year.

At school we check attendance each half term. If your child's attendance is 92% or less, you will receive a letter to help you keep track of any future absences. This will also allow you to see their attendance improve over time to an acceptable level.

If a child is ill, it can be difficult to know when to keep them at home and when they should attend school. The best place to check is the NHS website <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/> which gives clear attendance advice on a range of common illnesses and conditions.
